- Currently pursuing from June 2023
- Company : CETPA Infotech PVT LTD
- Learning skills like **HTML, CSS, Javascript, Bootstrap, J-Query, React JS**

## Projects

### IRCTC PNR Checking Web App

- user-friendly and efficient web application for checking PNR status on the Indian Railway Catering and Tourism Corporation (IRCTC) platform.
- The web app boasts an intuitive and user-friendly interface, making it easy for travelers to enter their PNR numbers without any confusion.
- By integrating with IRCTC's API, the app offers real-time updates on PNR status, including information about seat and berth allocation, train departure and arrival times, and any changes in schedule.
